

School Uniform Guideline

2026-27 Academic Year

School Uniform Policy

At Shrewsbury International School Phnom Penh, our school uniform is an important symbol of belonging to our community. Wearing it with pride fosters a strong sense of identity, equality, inclusion and responsibility, while supporting student safety. As part of our commitment to helping every child flourish, students are expected to present themselves smartly and arrive at school each day in the correct uniform, with all items clean, tidy and in good condition.

To help your child maintain personal responsibility and readiness for learning, please guide them with the following routine:

Start the Day

Students should arrive at school in their Standard Uniform, wearing black leather shoes and black or navy socks.

Pack the P.E. Kit

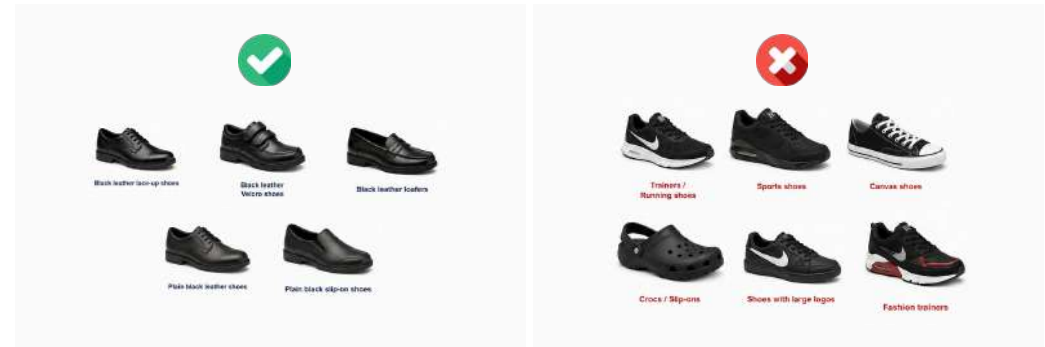

On P.E. days, please send your child to school with their P.E. Uniform, white trainers, and white socks packed in their bag.

The Switch

Before P.E. class begins, students will be given time to change into their P.E. uniform and switch into their white trainers and socks.

Thank you for your support in keeping our students safe, active, and ready to learn. The strongest outcomes occur when students, parents, and school staff work together with shared purpose and mutual trust.

Standard School Shoes

Students should wear plain black leather or leather-look shoes with non-marking rubber soles. Shoes should be closed-toe, low-heeled and free from large logos. Trainers, canvas shoes, boots and sports shoes are not permitted as part of the standard school uniform.

PE Trainers

Students should wear lightweight white sports trainers with breathable mesh or synthetic uppers, secure lace or Velcro fastenings and non-marking rubber soles. Trainers should provide good grip and cushioning for indoor and outdoor PE activities.
